Members			Coaches			Maintnce	

- *The playability of a court is determined by the Groundskeeper or, in his absence, the Club President.*
- *If a court is not to be used, the net will be down, or a sign 'no play' will be displayed (or both).*
- *The schedule of priorities, as posted on the clubhouse door and on the website, will continue to be the sole authority on who has priority on a court at any time, viz either coaching staff or members.*
- *If the priority holder is not using a court, it may be used by the coaches or members but would have to be vacated if requested for use by the scheduled priority holder.*
- *If a dispute arises, common sense and a spirit of collegial cooperation will prevail; otherwise, please call Bob on 0422905403.*
